

Russellville Elementary 1st grade- dodie.benjamin@elsd.us

Yesterday your child should have brought home a colored folder with Language Arts and Math work. This work is to be worked on daily and be returned when your child returns to school. This material has been covered in class, and your child should be able to complete all the work independently. The work will be taken for a grade. Please check your child's folder on Monday to find their new vocabulary words, and their laminated Mobymax information for logging in.

Reading: Students are encouraged to read daily. This quarter we will be working mostly on comprehension. A good way to check for understanding is to stop after a page or two, and ask questions about what they have read. An extension to their reading is to have them write a sentence or two about the who, what, and where of the story.

Mobymax: Students that have access to the internet will also be able to complete assignments that are listed for them to complete. These assignments are not mandatory, but are a good review of skills from this school year.

Please feel free to email me or send a message through Remind with any questions you may have.

Thanks, Ms.B
