## Daily Assignments:

1. Read 20 minutes from your self-selected book. Then write a short summary (**Shorter than the text, Use your own words, Main ideas Only**) of the material that you read that day. Include the page numbers read and the title of the book.

### For example:

**Day 1:** *The Watsons go to Birmingham-1963* (pages 64-85) Byron is lighting matches in the bathroom and gets caught by mama. She says she is going to burn him to teach him a lesson, but Joey keeps blowing out the matches. Then Byron learns that he can go to Mitchell's store and get "free" food. Later he steals some cookies. While enjoying the cookies with Kenny, Byron accidentally kills a bird. Byron begins to cry and Kenny discovers he buried the bird.
