Congratulations to **Heath Unger** on being this week's trivia winner?

Our program is filled with many AMAZING students who make a positive difference in the band experience of their classmates.

To help recognize their impact, Mr. Hoagland has created an “Outstanding Band Student” program. Students submit anonymous nominations about their peers and the influence they have on our band family.

Our first featured student is 7th Grade Trumpet, D.J. King! Here’s what her nominator said:

“D.J. always smiles and helps me with note names even though she barely knows the instrument I play. She’s always so kind to me! She’s the person who helps me calm down after a stressful playing test and the exact person to vibe with. Thank you for being there, D.J.”

Congratulations, D.J., and thanks for your daily smiles, positive attitude, and hard work!

“The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.”
