HQT-Highly Qualified Teacher

Who must be reported as highly qualified teachers under the ORC state definition?

- Teachers who teach in a core academic subject area must be reported. All core academic subject teachers who are assigned students in EMIS must have their HQT status reported in Initial Staff/Course Collection. All other core academic subject teachers (including tutors) must have their HQT status on file at the school.

What are the core academic subjects?

- According to ORC 3319.074 (A)(1) "Core subject area" means reading and English language arts, mathematics, science, foreign language, government, economics, fine arts, history and geography.

EASTERN LOCAL SCHOOL DISTRICT is pleased to report that 100% of our teachers meet the federal HQT requirements, as do all of our paraprofessionals. If you would like to request information regarding the professional qualifications of your student's classroom teacher feel free to contact the Building Principal.
