

Dear families,

Due to our extended closure, I have created a packet for students to review concepts that they have learned throughout the school year. The packet will provide paper and pencil options for all students to complete and return to school.

To provide additional opportunities for students who have access to the internet, I have provided a list of websites for them to visit and practice concepts and skills. These are listed below:

- Moby Max
 - Visit the Eastern Local Links page (<https://www.elsd.us/Links.aspx>) and click on Moby Max SES.
 - Student login information is as follows:
 - Username is their first name followed by a period and then their last name. For example, my username would be dennis.riedel
 - Password: Students lunch number is their password (all students should know their lunch number)
- Book Flix- This is a way that students can watch videos of fictional books and read non-fiction books.
 - Visit Info Ohio (<https://www.infohio.org/resources/gk5>)
 - Click Book Flix
 - Select any category
 - Read a book
